

# MODEL 325 ES (ENERGY SENTRY) ENERGY EFFICIENT ALUMINUM WINDOWS

## The Smart Choice for Energy Conservation and Comfort

Capitol 325 ES is your smart choice for an aluminum window system that combines reliable performance with long-term value. This window is built to make your building more energy-efficient, saving you money on heating and cooling bills.

It features an advanced thermal break that acts like a barrier, preventing outdoor temperatures from seeping inside. This means a more comfortable environment for everyone inside and less work for your HVAC system.

This window is a durable, low-maintenance solution designed to perform dependably for years, offering a great return on your investment.

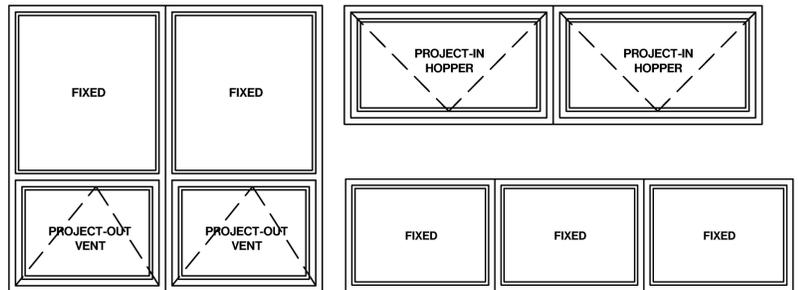

## Warranty Protection

We stand behind the quality of our products with comprehensive warranties. Our focus on reliability and longevity help minimize contractor callback and ensure long-term customer satisfaction.

- Windows - 10 years
- Anodize - 5 years
- Kynar 2605 - 10 years

## Custom Solutions to Meet Your Needs

## Capitol Window Accessories

- Sliding Wicket Screen (for Project-Out Vent and Casement)
- Hopper Screen (for Project-In Hopper)

## Frame Finish Color Selections

★ Custom color selections available upon request.

# MODEL 325 ES (ENERGY SENTRY) SUPERIOR COMFORT AND ENERGY SAVINGS

Unlock the true potential of your property! Discover how Capitol's advanced window technology masterfully blends tangible benefits with stunning aesthetics, dramatically enhancing your building's performance, durability, and undeniable curb appeal.

## Enhanced Comfort Options

Optimize your environment with built-in Capitol screens for natural airflow and integral blinds for seamless light management and added comfort.

## Boost Building Efficiency

Our advanced design significantly limits heat transfer, leading to improved energy performance and a more stable indoor temperature.

## Engineered for Superior Protection

Rigorously tested components provide exceptional resistance against the elements like air and water, ensuring lasting building integrity.

## Decades of Dependable Performance

Forget constant replacements! Built with robust, high-grade aluminum and a 10-year guarantee, these windows are an investment in enduring quality that stands the test of time.
